

## SALES LIST

The nine 2009 babies are growing up fast and there are 14 babies due in 2010, starting in May. Come and see the 2009 babies and ask about our special prices for young animals. Their colors range from blacks (4) to fawn (3) to dark brown (1) to white (1), and they're all beautiful. Six will be shown at GWAS in May, 2010. We're excited about the 2010 babies and will keep you posted as they arrive.

### FEMALES

1. Arroyo Seco's Princess Leia: Bueno Bloodlines on dam's side. , daughter of Tiger Paw. Unusual color pattern on face and pretty, chocolate brown fiber. By herself, \$10,000. Buy her with another Tiger Paw daughter and get a two-for-one package of bred females. Limited time offer through September 30, 2009.

2. Arroyo Seco's Penelope: Tiger Paw daughter with beautiful, rose gray fiber and docile temperament. Bred to Coal Black for summer, 2010 cria. By herself, \$11,000.

3. Arroyo Seco's Brooke: Tiger Paw daughter with Bueno bloodlines on her dam's side. Dense, crimped beige fiber and compact body. Bred to Arroyo Seco's Don Quixote (Haldane son) for summer 2010 cria. \$10,000

All three Tiger Paw daughters in a package with an unrelated male (great starter herd) for \$17,000!!

4. ET Tala: Large, pinto, proven female. Gives birth easily, great mother, abundant milk. Produced our prize-winning male herdsire, Don Quixote. Open currently, but can be bred to any of our high quality males of buyer's choice. We are offering her at the unbeatable price of \$5,000 to make room for next year's crias.

5. Arroyo Seco's Rozinante: Hemingway granddaughter, medium brown, great disposition. Ready to breed spring 2010. \$8,000.

6. Arroyo Seco's Cielo: Hemingway granddaughter, dense, light rose gray fiber, beautiful little girl, ready to breed spring 2010. \$13,000.

**We have five female cria born this year who will be weaned and available by the end of the year. Three are true black, one is fawn and one is white. We invite you to visit our ranch to see these five beauties. Call now for an appointment!**

#### **MALES**

**1. Arroyo Seco's Fiend: He's not a fiend at all; he's really a sweet boy with fine, true black fiber. \$1,000.**

**2. Arroyo Seco's Ulysses: This beautiful chocolate male has breeding potential and has taken home a number of ribbons from the show ring. He is unproven but ready to breed. His bloodlines include Bueno and suri ancestors. \$2,500.**

**3. Arroyo Seco's Andy: Very well-mannered white male who was a hit at the Cheyenne Animal Shelter's Critter Camp this summer. Bright, white fiber, half Accoyo. Breeding potential? \$2,500.**

**4. Arroyo Seco's Bogart: Peruvian Royal Fawn and Hemingway bloodlines. Lovely medium brown fiber with dark points. Mr. Personality Plus. Clearly breeding potential in this guy when he gets older. \$2,500.**

**Call now to make an appointment to see our 2010 babies and reserve one for your herd now or in the future.**
